The Rainier Lightning does not want to compete. **The TCYFL Board** told them they needed to compete, this was discussed.

We still need an MC for the competition.

Game Day Ops Update

A few coaches have missed their field marshall or time clock assignments, but no major problems.

Old Business

Olympia Bears Issue

Teams will stay as they are.

Dennis Payne should be given a Strike against him.

We should have a workshop for new coaches to explain how the league works.

Rich Boyd said next year there will be more specific penalties for ignoring the rules.

John Backman made a motion to give Dennis Payne a strike, **Joe Stinton** seconded it, all were in favor, except **Angie Becker** abstained.

New Business

Hawks Coach Issue

Rich Boyd said a full investigation needs to be made into this issue. **Skeeter Cordova**, **Scott Erickson** and **Bradley Altman** will be an investigative committee to look into what happened.

John Backman asked if the coach in question coached this past week, **Dan Haller** said yes.

Angie Becker said it should be a franchise issue handled at the franchise level.

Dan Haller said John called the police before the Hawks coach had the chance to respond to the field marshal.

There was much discussion about this issue. It was decided to let the committee do the investigation.

Playoff Structure

The re-weigh rule was discussed.

The playoff brackets for all of the age groups except Major Junior Varsity were announced to the board. The MJV playoff teams should be announced tomorrow.

The meeting was adjourned at 7:45 p.m.
